

1 Clarifying Amendments to Specification

2 The following are added for clarification purposes only and do  
3 not add any new matter:

4 1. The following new paragraphs are added just prior to the  
5 section entitled "ALTERNATIVE EMBODIMENTS" of the application:

6 The present invention may be folded for storage and  
7 transportation in a variety of ways, and a vertical center score line  
8 (20) and horizontal score line (21) are provided in the preferred  
9 embodiment to facilitate such folding.
